

2021 Cleanliness Certification Application

Sections 1-6 are required. Once you have checked all the boxes, fill in your name and contact information on the following page and submit your application to your nearest tourism organization (Omachi City Tourism Association, Tourism Commission of Hakuba Village, or Otari Village Tourism Federation). You will receive your 2021 Cleanliness Certification sticker at this time. Businesses that registered in 2020 should register again to receive a new sticker.

1 Interpersonal physical distance

- A safe distance is maintained between customers and employees, and also between colleagues
- A safe distance is maintained between customers waiting in line

2 Hand sanitizer availability

- Hand sanitizer is readily available
- Customers are encouraged to wash their hands or use hand sanitizer

3 Proper mask wearing

- Employees wear a mask properly while serving customers
- Customers are encouraged to properly wear a mask

4 Facility ventilation

- Facilities are regularly ventilated
- Facilities are constantly ventilated during cleaning

5 Facility disinfection

- High-touch surfaces are cleaned and disinfected regularly
- Toilets and food service areas (where applicable) are thoroughly cleaned and disinfected

6 Other initiatives

- Downloading of COCOA (the Ministry of Health, Labour and Welfare's COVID-19 contact app) is encouraged
- An action plan for handling suspected COVID-19 infections has been prepared, and the Omachi Health Center phone number has been noted
- Plastic barriers are set up to prevent droplet infection at counters and other areas where people face one another
